Scholarship Notification Form

_____ _____ 991-_____
Student First Name M.I. Last Name ID Number

Complete this form if you have received confirmation of a scholarship or grant to be paid toward your educational expenses from a source besides ISU, the federal government or the State of Indiana. This is necessary so we can calculate your federal and state financial aid accurately and so we can properly report scholarship funding ISU students receive to national education surveys.

Section I: Award Notification

Scholarship Title	Total Scholarship Dollar Value	Period Covered *(Example: Fall 2009 Only or Fall/Spring, etc.)*	Is the award specifically for tuition?

We are required to factor scholarships into the financial need calculation before awarding any federal or state financial aid. Your early notification to us helps to ensure that you qualify for the aid you are offered. This reduces the possibility that an overaward of financial aid will occur causing a repayment to be required. We appreciate your help in this process.

Section II: Certification

I certify that all of the information submitted is correct and that the awards and amounts shown are all I am currently aware that I am receiving from non-ISU sources. Should I be made aware of any additional scholarship or grant awards, I will update my information with the Office of Student Financial Aid.
