

Dear Member,

We are pleased to provide you with some important information about your vision plan.

As of August 1, 2008, Spectera began marketing its plan as UnitedHealthcare VisionSM.

Please note that this is a change in branding only. ***There is no change in your benefits, no change in your provider network, and no disruption to your service or benefits administration.***

We are changing our brand to reflect the integration of diverse product offerings offered by the specialty companies within UnitedHealth Group. Our mission is to help people live healthier lives, and we continue to apply technology and information to improve health, well-being and financial security for all people. We aim to provide products and services that are easy to use, clinically superb, fiscally responsible and delivered by caring people who want to make a positive difference in your life.

For your convenience, we have taken this opportunity to provide a quick reference guide to access your benefits. While most of the information remains the same, please note our website has changed. Also, you may continue to see reference to Spectera, Inc. as the legal entity that administers your UnitedHealthcare Vision^[SM] plan. If you have questions about our brand name change or your benefits, please call our customer service toll-free line at 1-800-638-3120 to speak with a representative.

Quick Reference Guide UnitedHealthcare Vision <i>(formerly, Spectera)</i>	
Customer service toll free number	1-800-638-3120
Claims Department	PO Box 30978, Salt Lake City, UT 84130
Claims fax number	248-733-6060
Website	www.myuhcspecialtybenefits.com
When calling the provider to make your appointment simply mention that you have UnitedHealthcare Vision coverage. You will be asked to provide the member unique identification number and the patient's name and date of birth in order to receive services.
