Old Business: None discussed

New Business:

1. Help Election Committee train staff who will need assistance using an online election ballot.

Some staff may be uncomfortable or resistant to using an online form. Members of our committee should be ready to assist with such training.

The Election Committee will be responsible for creating an online form that will allow staff members in individual districts to vote electronically. The form will be designed to be accessed by the relevant district and to prevent the possibility of an individual casting more than one vote per item.

Staff members who take advantage of this training will also benefit in that they will know how to use the electronic campus-wide staff evaluation form which will go into effect this semester.

Training sessions will be held during the first two weeks in March; Wednesday, Thursday, and Friday on March 4, 5, 6, and on Monday, Tuesday, and Wednesday on March 9, 10, and 11.

Human Resources will be notified about this training.

2. Establishment of a “biggest loser” club on campus.

Much interest has been expressed in this idea. Kelly will send information out to us about how to register and share ideas about such a club. Information can be found on Face book. .com

We will hold an additional meeting this month. Meeting Date: Wednesday, January 21, 2009, at 9:00 A.M. in Erickson Hall.
